# Men's File Launch Party at DeeCee Style, Zurich

Photography: Lorenz Richard

Markus and Pia Cadruvi of DeeCee Style hosted an evening of good food and beer and fine friends. The boys from Young Guns Speed Shop were special guests as was Fritz Egli (of Egli Vincent fame). Yes, we had one of the oldest motorcycle builders in the world and some of the youngest. We all hope that Nick and his Young Guns will reach the heights of Mr Egli one day.

This was a week of trade shows in town and some of heritage style's top people were there including the Merz b. Schwaben team, Salvatore Piccolo and the Japan Blue / Soulive crew from Okayama. The shop is huge and filled to the gunnels with rare and hard-to-find brands from around the world – which added an extra dimension to the evening. A big thank you to Mr and Mrs Cadruvi.
