who we are.

With over 10 years of experience, Tailored Projects helps stakeholders unlock new levels of growth for their companies through reliable and innovative custom-goods.

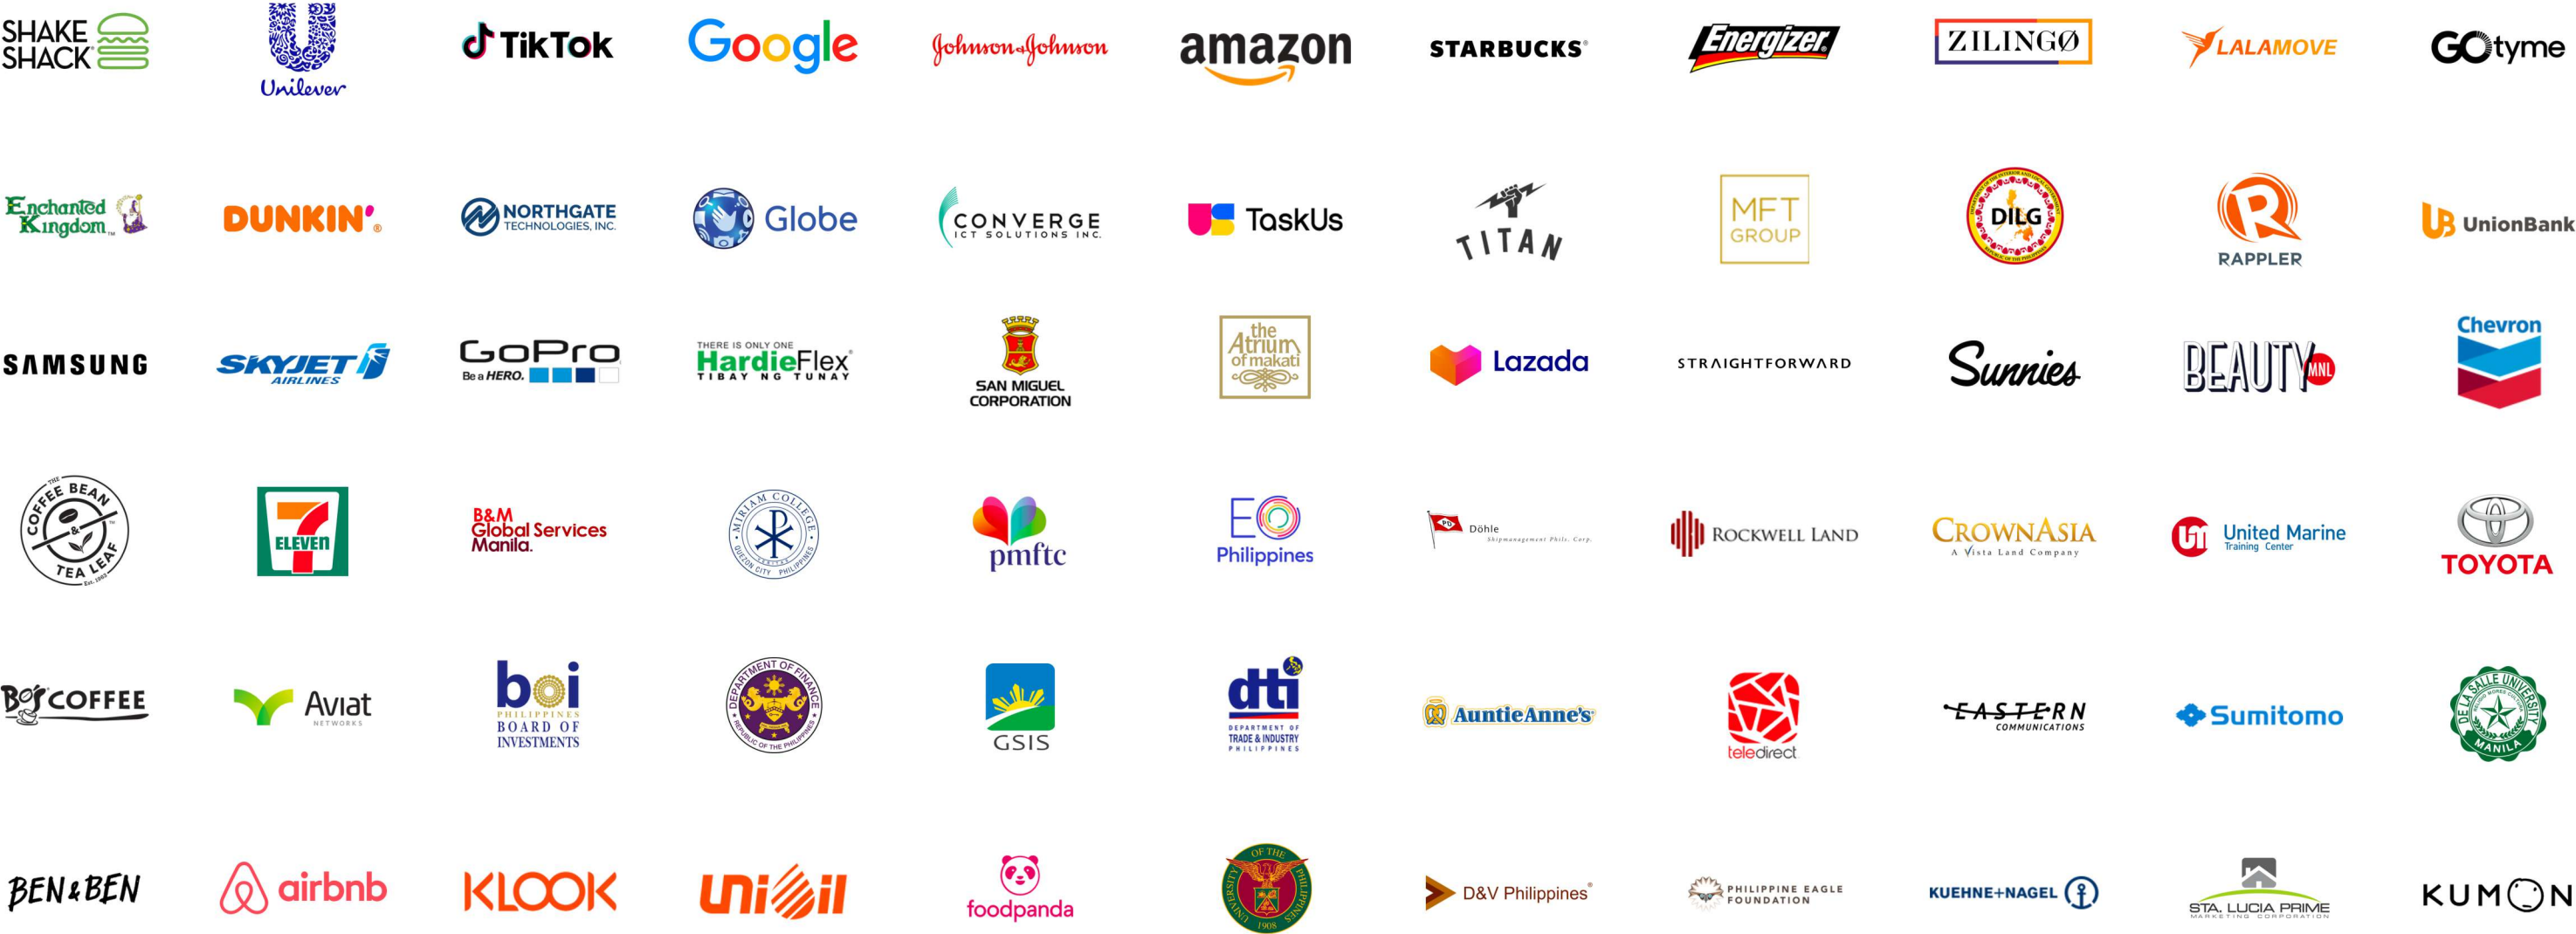

Unlike conventional suppliers, we infuse every project with our personalized brand of service, quality designs, and our deep supply chain to deliver merchandise and uniforms that stand out and leave a lasting impression.

The *trusted* provider of custom-goods for the country's most beloved brands.

our clients.

Tailored Projects is
PhilGeps Platinum Registered 2025

how we work.

STEP 1 Formal Quotation

Get in touch and share all the details of your requirements. Our Sales Team will provide you with an accurate quotation for your project.

STEP 2 Sampling

We will create a sample of your item for approval prior to bulk production. Standard sampling lead time is 7-10 days, depending on project details.

STEP 3 Bulk Production

Upon approval of the master sample, Tailored Projects will begin bulk production for your project. Production lead time is 30-45 days, depending on your project details.

STEP 4 Quality Checking and Delivery

Were done! Quality checking of your items will be done by Tailored Projects prior to delivery. We offer **free delivery** within Metro Manila
