

BLUE SAFETY SPOTTER LIGHT

BLUE SAFETY SPOTTER LIGHT

Pedestrian warning spotlight

The blue spotter light alerts pedestrians of forklifts approaching blind corners or forklifts entering and exiting trailers.

The blue LED light projects an intense spotlight 10-20 feet ahead of the forklift to alert the pedestrian of nearby traffic.

The blue safety spotter light can be installed on the front or the back of any forklift, sweeper or other piece of industrial equipment.

**THE SPOTTER LIGHT HAS TWO LED LIGHTS AND LENSE TO ENSURE A VISABLE BLUE SPOT ON THE FLOOR.
THE BLUE SAFETY SPOTTER LIGHT GIVES PEDESTRAINS AN EXTRA WARNING OF AN APPROACHING FORKLIFT.**
