## INSTALL GUIDE

### POWERHOUSE BALLASTS

**WARNING:** By reading this document, I agree it is only to be used as an educational guide. Profile Performance nor its distributors make guarantees on any finished results, nor are they to be held responsible for any damage, misuse, or personal injuries. Use at your own risk. If you are unable to clearly understand and adapt the information below, professional installation is recommended.

#### WHAT'S INCLUDED

1x POWERHOUSE BALLAST

1x SWITCH PIGTAIL

1x IGNITER (AMP OR D2S)

#### RECOMMENDED PROTECTION:

LATEX GLOVES

PROTECTIVE EYEWEAR

#### ASSEMBLY PROCESS

Do not turn on ballast without igniter and bulb connected.

We recommend mounting the ballast hanging from the two mounting holes as to minimize the risk of water intrusion through the connectors causing permanent damage to the ballast.
