- deflation port when the pump is working.
Do not watch the inflation port or deflation port
- when the pump is working.
- Children under the age of 12 need to have adults' supervision when using the pump.
Please check whether the air pump is functioning
- properly before use.

FLEXTAILGEAR shall not be liable for any direct, indirect, incidental or other damages arising out of or caused by the use of the products. Users are responsible for their own actions and all the consequences that result from these actions .

Warranty terms

For the defects in material and workmanship of the product, the original retail purchaser of this product will be provided a warranty service for one year based on purchase data by FLEXTAILGEAR.

If the Buyer discovers a covered defect, the buyer should return the product to the place of purchase. If this is not available, please return the product to the address specified by us. We will repair or replace the modified product at our discretion following the warranty terms.

We assume the above responsibilities in accordance with the essential guarantee terms during the warranty period. After the expiration of the warranty, the service will no longer be provided. We reserve the right to require proof of purchase for all warranty applications.

Warranties Exclusions

We do not warranty products against normal wear and tear, unauthorized modifications or]alternations, improper use, improper maintenance, accident, misuse, negligence, damage, or if the Product is used for a purpose for which it was not designed. This warranty gives you specific rights, and you may also have other rights which vary from state to state. Except for expressly stated in this warranty, we shall not be liable for direct, indirect, incidental, or other types of damages arising out of, or resulting from the use of Product. This warranty is in lieu of all other warranties, expressed or implied, including, but not

limited to, implied warranties of merchantability or fitness for a particular purpose (some states do not allow the exclusion or limitation of incidental or consequential damages or allow limitations on the duration of an implied warranty, so the above exclusions may not apply to you.)
