Matte Box **Setup**

 Insert french flag to the top of Matte Box and tighten it with screws. Using the same approach, insert side flags into matte box and tighten the screws.

 Attach knicker on conversion ring, then attach ring with conversion ring holder and tighten the knot.

- You can easily insert filter holders as shown in the image.
- Pulling the knob upwards releases the MB-20 Matte Box allowing it to easily swing away from the camera.

NOTE: The filter holder supports the use of 4x4'' square filters, kit includes 2pcs of filter holders, one is rotating 180° and another is non-rotating.

YOUR MB-20 SWING AWAY WIDE ANGLE MATTE BOX ALL DRESSED UP AND READY TO GO!
