INTRODUCTION

In order to get the best out of your A6300, Camtree hunt proudly unveils its peculiar A6300 Camera cage to give your every shot a more refined & professional feel. The robust cage not only covers your camera for multiple mounting choices but also keeps it protected. This cage provides easy access to the battery allowing you to replace it without removing the camera from the cage. The sturdy handle & base plate have 15mm threads for mounting accessories and expanding the rig, locking clamp prevents accidental cable disconnects. The well-engineered base plate lets you easily switch your camera from tripod to handheld and can move back and front easily. The multi-functional Rod support provides a wide variety of options for mounting your other accessories.
