■ Welcome To Proaim!

Dear Client,

On behalf of all the people that work so hard to provide you with the most up-to-date, flexible and cost-efficient production gear, we would like to welcome you into the Proaim family.

By purchasing your Proaim Shoulder Rig Kit for Red Scarlet/Epic, you have just joined a host of designers, engineers, machinists, assembly, customer service and office staff that take great pride in all that they do. Our mantra of continuous improvement has been the guiding principle of how we conduct our business since day one.

Once you have the opportunity to experience your new Proaim Shoulder Rig Kit for Red Scarlet/Epic, we hope you will agree that we craft quality products at a competitive price. Products designed to meet and exceed the standards of today's real production world.

Standards set by our valued clients and standards we strive to maintain.

With Best Wishes, Proaim Team

Introduction

Our Camtree Hunt Camera cage Shoulder Rig Kit for Red Scarlet /Epic (CH-RSE-SRK) not only it protects the camera from the rigors of production but also converts it into a full fledge production tool. This Robust rig enables easy & comfortable handheld operation and allows attaching various accessories for more possibilities on the professional front. This package includes a high-grade matte box for cinematic effects, durable follow focus for accurate focus pulls & EVF mount for connecting View Finder or LCD.

What's In The Box

Please inspect the contents of your shipped package to ensure you have received everything that is listed below.

Assembling

 Attach your Red Scarlet / Epic camera with Base Plate. Then attach Dovetail Plate for tripod mounting to Base Plate. Tighten both with provided screws to secure them.

 Now attach Quick Release Plate to Dovetail Plate and mount it on tripod. Tighten the knobs to secure it well.

Attach the four Cage Brackets to Base Plate and fix them tightly using allen key. Then mount
Top Plate with 15mm rod adapter on Cage Brackets.

 After attaching the Top Plate, tighten all screws on Cage Brackets.

• Now slide-in Top Handle on 15mm rod adapter and tighten the knob to secure it.

• Insert the two 200mm aluminium rods into 15mm adapter holes on top of the Cage and tighten the knob properly.

• Similarly, insert the two 300mm aluminium rods into 15mm rod adapter of Base Plate and tighten the knob correctly.

• In order to mount an EVF to your cage, attach it on top with 200mm aluminum rods and tighten the knob.

Attaching the Follow Focus

Mount Gear Belt over camera lens focusing ring and attach Follow Focus on 300mm rods.
Align the drive gear with Gear Belt and secure the knob tightly.

NOTE: You can use Speed Crank for precise focusing.

Attaching the Matte Box

 Attach Matte Box on 300mm rods and tighten the knob properly.

 Align knicker to Matte Box, mount it over the front lens and tighten its thread.

NOTE: To use your setup as Shoulder Mount Rig, consider following steps to assemble:

• Loosen red knobs of Base Plate and press the red button of Dovetail Plate. Then remove the Dovetail Plate from Base Plate.

Attaching the Handle Set & Shoulder Pad

 Attach Rosette Handle Brackets to Cross Bar and tighten with provided knobs to secure as shown.

 Now attach Handle Grips to Handle Brackets and tighten the knobs to secure. You can also adjust the angle of Handles by using these knobs.

 Now slide-in Dovetail Plate for shoulder mounting onto the Cross Bar and secure with provided knob.

• Then attach this Dovetail Plate to the Base Plate, along with Handle Set and tighten the

• Finally, attach Shoulder Pad towards the back of Dovetail Plate and tighten the knob.

YOUR CAMTREE HUNT CAMERA CAGE SHOULDER RIG KIT ALL DRESSED UP AND GOOD TO GO

(SHOWN WITH OPTIONAL ACCESSORIES)

WARRANTY

We offer a one year warranty for our products from the date of purchase.

We will repair or replace your product, free of charge, in the event of a defect in materials or craftsmanship obtained during normal use or handling based on the user manual. Please note that we will not cover any shipping costs for returning the product to us. If any VAT or import duties are applied to the return, we will also charge these costs to the customer.

The warranty does not include, by the way of example, damage caused by products that we do not supply or from mishandling in transit, accident, misuse, neglect, lack of care of the product, or service by anyone other than our company.

We are not liable for incidental or consequential damages resulting from the use of the unit or occurring due to any breach of this warranty.

Replacement parts of the product will be provided at nominal cost (covering the cost price of the replacement parts only) to the customers after the Warranty Period has expired. We will cover

the complete cost of sending replacement parts within the warranty period. After that, Nominal cost of the product & Actual shipping cost will be charged.

Do not send the unit to us without first getting a response and getting the approval to send back the item.

In case of any kind of dissatisfaction, we urge you to Contact us immediately and we shall do our Best to help you out. For any other assistance you can reach us via email.
