■ Welcome To Filmcity!

Dear Client,

On behalf of all the people that work so hard to provide you with the most up-to-date, flexible and cost-efficient production gear, we would like to welcome you into the Filmcity family.

By purchasing your Adventure Rig Kit, you have just joined a host of designers, engineers, machinists, assembly, customer service and office staff that take great pride in all that they do. Our mantra of continuous improvement has been the guiding principle of how we conduct our business since day one.

Once you have the opportunity to experience your new Adventure Rig Kit, we hope you will agree that we craft quality products at a competitive price. Products designed to meet and exceed the standards of today's real production world.

Standards set by our valued clients and standards we strive to maintain.

With Best Wishes, Filmcity Team

Introduction

Having a precise system in your backpack gives you the chance to generate amazing shots with visual effects wherever you go. The Robust camera cage for blackmagic cinema camera with top handle allows endless accessory mounting options and cutting edge shoulder pad incorporates multi adjustments for comfortable filming experience with increased stability. The kit also includes front handles for powerful grip, follow focus that helps in sharp and accurate focus pulls and a matte box that add cinematic effects in your footage. The kit include some complimentary items that makes you purchase a best buy like Z- bracket that allows you to center align the camera. Get this exclusive professional product and enjoy the unique perspective!!

Tools

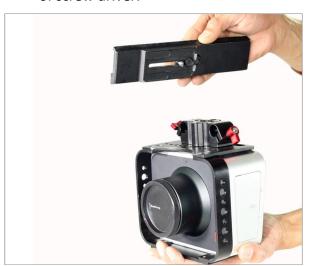

Assembling

• Insert camera into the Cage and tighten top and bottom screws for security.

 Attach Quick Release Plate of your tripod head to the bottom of Cage and tighten it with help of screw driver.

• Now mount Cage onto any standard tripod and secure it.

• Attach Top Handle onto the top of Cage and tighten the screws.

 Now insert two 300mm female rods to camera Cage Base and tighten the knobs properly to secure them.

• Then attach Straight Bracket towards one end of rods and secure it properly with the help of provided knob.

• Now insert the other two 300mm female threaded rods into Straight bracket and tighten knob to secure them properly.

• Then attach Shoulder Pad and Battery Plate to the rods and tighten them appropriately.

 Now attach two 100mm male rods at the front to extend it for mounting your handles and other accessories.

Attach Gear Ring to camera lens and tighten properly

 Then insert Follow Focus to front of rods and secure properly with the help of provided knob.

 Now attach Matte Box to the front of rods, align knicker with lens barrel and tighten the knot.

 Then attach Z-Bracket to the front of Matte Box and secure properly with the help of provided knob.

 Now slide-in one 300mm female rod through it in order to attach Handles and tighten knobs to secure the adapters and rod properly.

• Finally, screw both Handles into Handle Clamp and insert them into the rod.

YOUR FILMCITY ADVENTURE RIG KIT ALL DRESSED UP AND READY TO GO!

WARRANTY

We offer a one year warranty for our products from the date of purchase.

We will repair or replace your product, free of charge, in the event of a defect in materials or craftsmanship obtained during normal use or handling based on the user manual. Please note that we will not cover any shipping costs for returning the product to us. If any VAT or import duties are applied to the return, we will also charge these costs to the customer.

The warranty does not include, by the way of example, damage caused by products that we do not supply or from mishandling in transit, accident, misuse, neglect, lack of care of the product, or service by anyone other than our company.

We are not liable for incidental or consequential damages resulting from the use of the unit or occurring due to any breach of this warranty.

Replacement parts of the product will be provided at nominal cost (covering the cost price of the replacement parts only) to the customers after the Warranty Period has expired. We will cover

the complete cost of sending replacement parts within the warranty period. After that, Nominal cost of the product & Actual shipping cost will be charged.

Do not send the unit to us without first getting a response and getting the approval to send back the item.

In case of any kind of dissatisfaction, we urge you to **Contact us** immediately and we shall do our Best to help you out. For any other assistance you can reach us via email.
