Track **Setup**

 The track comes in folded position. Unfold the track from it's stored position and open foldable rods of track set and tighten the screw to secure it.

 Now attach it with the Jointer of end foot and tighten the set screw properly with allen key. So that there is a minimum gap at the Jointer.

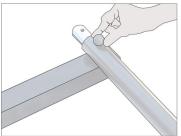

NOTE: Repeat the above steps to attach all the sections.

• Attach end stoppers to prevent falling of your dolly from track.

YOUR PROAIM 16FT HEAVY DUTY TRACK ALL DRESSED UP AND READY TO GO!
