■ Welcome To Proaim!

Dear Client,

On behalf of all the people that work so hard to provide you with the most up-to-date, flexible and cost-efficient production gear, we would like to welcome you into the Proaim family.

By purchasing your Proaim 36ft Long Flexi Track, you have just joined a host of designers, engineers, machinists, assembly, customer—service and office staff that take great pride in all that they do. Our mantra of continuous improvement has been the guiding principle of how we conduct our business since day one.

Once you have the opportunity to experience your new Proaim 36ft Long Flexi Track, we hope you will agree that we craft quality products at a competitive price. Products designed to meet and exceed the standards of today's real production world.

Standards set by our valued clients and standards we strive to maintain.

With Best Wishes,

Proaim Team

Introduction

Proaim launches a 36ft Long Flexi Rubber dolly track, which is designed for shaping the track into a variety of configurations, including straight, s-shaped curves, c-shaped curves or as per the demanding shot. The camera rail track has a 1" diameter and can be used with many standard camera dollies for smooth rolling pans. Now days, these types of flexi tracks are widely used in television studio, movie manufacturer, video studio, school studio and so on. Proaim Flexible track enables you to achieve smooth and subtle motion shots with perfection.

Assembling

• Place the 36' flexi track on the floor.

 lock-in the spacers so that they fit tightly into the grooves on the tracks so that the track cannot curl up on the floor and hence keeps the two sides of track perfectly spaced throughout the entire length of the track.
