## Camera Arm Mount Kit Setup

- Insert the sliding rod into the outer locking lever of the main axle of the Rickshaw.

- Once the rod is inserted, tighten the knob to secure it.

- Align together the mounting clamp holes and the sliding rod, and insert the rods into the clamp, as shown in the images.

**Note:** You can adjust the mounting clamp according to your requirement.

- Once the mounting clamp is mounted, securely tighten it with the help of the knob. Next, insert the main rod into the mounting clamp.

- Tighten the knob to secure the main rod.

- Loosen the support bracket clamp knob as per your requirements and then attach it to the main rod.

**Note:** You can adjust the support bracket with clamp according to your setup.

- Loosen the knobs of the airwave arm, mount it to the main rod, tighten the knobs to secure the arm.

- Your setup is ready to use.
