### ■ Welcome To Proaim!

Dear Client,

On behalf of all the people that work so hard to provide you with the most up-to-date, flexible and cost-efficient production gear, we would like to welcome you into the Proaim family.

By purchasing your Cineline Mitchell Dolly Kit, you have just joined a host of designers, engineers, machinists, assembly, customer service and office staff that take great pride in all that they do. Our mantra of continuous improvement has been the guiding principle of how we conduct our business since day one.

Once you have the opportunity to experience your new cineline dolly, we hope you will agree that we craft quality products at a competitive price. Products designed to meet and exceed the standards of today's real production world.

Standards set by our valued clients and standards we strive to maintain.

With Best Wishes, Proaim Team

## Introduction

Proaim Cineline Heavy-duty Mitchell Dolly gives Cinematographers / filmmakers complete creative freedom. The low profile Mitchell base provides a robust versatile support system for cameras. Dolly legs may be folded in for smaller footprint as well as for compact storage. The Modular Cineline Dolly comes with Levelling feet, Studio/Caster wheels and Track wheels. Hard anodized CNC aluminum construction with stainless steel fasteners ensures protection, durability and stability. The Dolly well-matches with Mitchell Base Mounts, Turnstile Mount, Track, and so on. It carries a huge amount of payload of up to 200kg/440lb & remains absolutely robust in operation. It is a rigging tool for building various sized bazooka bases, track dollies, and customized camera mounts, built on set to suit operational requirements.

## What's In The Box

Please inspect the contents of your shipped package to ensure you have received everything that is listed below.

# ATTENTION: PLEASE READ THIS BEFORE USING TO PREVENT SERIOUS DAMAGE TO THE EQUIPMENT!

#### **NEVER LEAVE THE FIXTURES LOOSE**

Carefully tighten all the parts & fasteners to prevent damage to the equipment & any harm to crew.

#### INSPECT THE SURROUNDINGS PRIOR TO OPERATION

The operating area of dolly on track and its accessories must be kept clear. Keep a distance of approximately 0.5m to surrounding objects.

#### **BE CAUTIOUS WHILE USING**

Do not use the dolly on sloping ground/surface or in vehicles. Lack of attention can result in hitting of equipment.

FOLLOWING THESE GUIDELINES WILL PROVIDE BETTER IMAGES AND TROUBLE FREE OPERATION.

SHOULD YOU NEED ADDITIONAL INFORMATION, TECHNICAL ASSISTANCE IS AVAILABLE 'ONLINE' BY CONTACTING YOUR SALES REPRESENTATIVE.

## Assembling with Studio/Caster Wheels

 Loosen the bolts from Dolly Base and spread it on floor. Then tighten the bolts again to fix the legs.

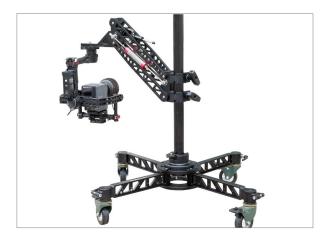

• Attach Studio Wheels and tighten them with side knob accurately.

• Keep the dolly in static position by locking the wheels via pushing down the lever. Then mount your camera setup comfortably.

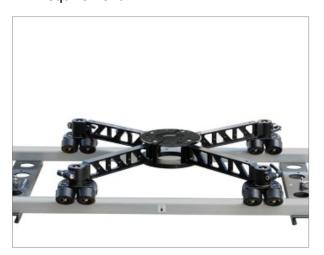

## Assembling with Track Wheels

• Attach Track Wheels and tighten them properly with knobs.

 Place the Dolly onto Track (NOT INCLUDED) and mount the camera setup as per your requirement.

# Assembling with Leveling Feet

Insert Leveling Feet at the end of Legs and tighten the knobs to secure them.

• Loosen the chucknut to adjust the length of Leveling Feet.

NOTE: Position of all the Legs can be easily adjusted.

## Assembling Dolly as 3-Leg Configuration

 Loosen bolts and remove one Leg. Then adjust remaining three legs appropriately to balance the dolly. Tighten all the bolts properly & mount your camera setup.

#### **WARRANTY**

We offer a one year warranty for our products from the date of purchase.

We will repair or replace your product, free of charge, in the event of a defect in materials or craftsmanship obtained during normal use or handling based on the user manual. Please note that we will not cover any shipping costs for returning the product to us. If any VAT or import duties are applied to the return, we will also charge these costs to the customer.

The warranty does not include, by the way of example, damage caused by products that we do not supply or from mishandling in transit, accident, misuse, neglect, lack of care of the product, or service by anyone other than our company.

We are not liable for incidental or consequential damages resulting from the use of the unit or occurring due to any breach of this warranty.

Replacement parts of the product will be provided at nominal cost (covering the cost price of the replacement parts only) to the customers after the Warranty Period has expired. We will cover the complete cost of sending replacement parts within the warranty period. After that, Nominal cost of the product & Actual shipping cost will be charged.

Do not send the unit to us without first getting a response and getting the approval to send back the item.

In case of any kind of dissatisfaction, we urge you to **Contact us** immediately and we shall do our Best to help you out. For any other assistance you can reach us via email.
