Cube AC Pouch (Small) Uses

- Proaim Cube AC Pouch, which stores and keeps your essential tools within quick access. The sturdy, High-Quality Fabric makes it weather bearable & repels water, and requires minimal care.
- It's a black bag with orange webbing separated into three sections inside, one broad and two narrow, ideal for separating small items from the tools and little bulky ones kept in the main compartment. The 2.5 wide belt loops on the back of the bag allow it to be worn on a belt.
- Inside the top hook-and-loop flap closure, there is a see-through mesh pouch that closes with Velcro and is ideal for storing filters. Keep your tool organized with 3 Internal Compartments & tool Slots.
- There are external pockets and a D-ring that complete your kit for the ultimate organization on set. Store and Carry your Small Filters and Accessories easily.
- It is a perfect on-set props assistant with a versatile compartmentalized interior to keep your accessories, such as pens, insert slate, tape, markers, and cleaning utensils, in order at all times.
