■ Welcome To Proaim!

Dear Client,

On behalf of all the people that work so hard to provide you with the most up-to-date, flexible and cost-efficient production gear, we would like to welcome you into the Proaim family.

By purchasing your Proaim Firstake 6ft Foldable Camera Jib Arm, you have just joined a host of designers, engineers, machinists, assembly, customer service and office staff that take great pride in all that they do. Our mantra of continuous improvement has been the guiding principle of how we conduct our business since day one.

Once you have the opportunity to experience your new Proaim Firstake 6ft Foldable Camera Jib Arm, we hope you will agree that we craft quality products at a competitive price. Products designed to meet and exceed the standards of today's real production world.

Standards set by our valued clients and standards we strive to maintain.

With Best Wishes,

Proaim Team

Introduction

Execute your shots impeccably with our compact Proaim Firstake jib that acts as a perfect companion for your filming projects and adventures. Add a new dimension to your productions with freedom to capture crazy angle shots without carrying large and bulky setups place to place. Take your production projects to next level by adding on-screen movie making crane shots and prepare to be amazed with wow factor results.

■ What's In The Box

Please inspect the contents of your shipped package to ensure you have received everything that is listed below.

Assembling

• Attach the Quick release plate of Tripod Head (**Not Included**) to base of fork in order to attach the jib on the Tripod Stand.

• Unfold the Jib arm. Then mount the jib on Tripod and secure it properly. (Stand & Tripod Head is NOT included).

• Press the Pin on both jib arms to extend the length of jib. Tighten both the knobs to secure.

• Loosen the knob of head and release the quick release plate.

• Now attach the camera on quick release plate and secure it with provided screw.

• Then re-insert the quick release plate and tighten the knob to secure.

• Remove the Locking clamp in order to attach counter weight. Tighten the clamp to secure the weights. (Counter weight Not Included).

YOUR PROAIM FIRSTAKE JIB ARM ALL DRESSED UP AND READY TO GO!

WARRANTY

We offer a one year warranty for our products from the date of purchase.

We will repair or replace your product, free of charge, in the event of a defect in materials or craftsmanship obtained during normal use or handling based on the user manual. Please note that we will not cover any shipping costs for returning the product to us. If any VAT or import duties are applied to the return, we will also charge these costs to the customer.

The warranty does not include, by the way of example, damage caused by products that we do not supply or from mishandling in transit, accident, misuse, neglect, lack of care of the product, or service by anyone other than our company.

We are not liable for incidental or consequential damages resulting from the use of the unit or occurring due to any breach of this warranty.

Replacement parts of the product will be provided at nominal cost (covering the cost price of the replacement parts only) to the customers after the Warranty Period has expired. We will cover

the complete cost of sending replacement parts within the warranty period. After that, Nominal cost of the product & Actual shipping cost will be charged.

Do not send the unit to us without first getting a response and getting the approval to send back the item.

In case of any kind of dissatisfaction, we urge you to Contact us immediately and we shall do our Best to help you out. For any other assistance you can reach us via email.
