Camera Gimbal Mount Kit Setup

 Loosen and remove the knob of the Gimbal Mount Kit.

NOTE: Ronin Mount, a quick-release adapter, and a controller mounting clamp - suitable for easily attaching your Ronin gimbal to the end of your Camera Jib Crane (Not Included).

• Attach the kit with the Platform Head of the Jib (Not Included).

NOTE: The mount measures 37mm in diameter and fits perfectly into a compatible Jib Crane (Not Included) Mount.

- After attaching, insert the knob of the Gimbal Mount and tighten it.
- Now, unlock the knob of the quick-release adapter.
- Unlock the quick-release adapter and slide the gimbal onto it.

• After mounting the Gimbal (Not Included), lock the quick-release adapter to secure the gimbal.

NOTE: To completely secure the gimbal with the quick-release adapter, tighten the provided screw using an Allen key, as shown in the image.

 Mount the Remote controller clamp (Not Included) on the weight rod of the Jib Crane.

NOTE: The Controller clamp keeps your hands free by securing the remote control on your rig.

YOUR PROAIM CRANE CAMERA GIMBAL MOUNT KIT ALL DRESSED UP AND READY TO GO!

(SHOWN WITH OPTIONAL ACCESSORIES)

Warranty: We offer one year warranty for our products from date of purchase. Within this period of time, we will repair it without charge for labor or parts. Warranty doesn't cover transportation costs nor does it cover a product subjected to misuse or accidental damage. Warranty repairs are subjected to inspection and evaluation by us.

Liability: We are not liable for damage caused by products that we do not supply or from mishandling in transit, accident, misuse, neglect, lack of care of the product, or service by anyone other than our company.

Contact Us: In case of any kind of dissatisfaction, please Contact us immediately and we promise our utmost support and care until you use our product.
