Matte Box Setup

Attaching Filter with Metal Frame

- If you want to attach the filter (Not Included) press the button and insert filter (Not Included) into the frame. Be sure your filter is fitted properly.

Attaching Rubber Hood with Metal Frame

- Attach the rubber hood with metal frame properly.

NOTE: The adapter which is attached to the bottom of the metal frame knob is for multi-purpose usage within different setups

- Attach 15mm Rod adapter in the provided metal frame knob connector and tighten the knobs properly with the help of Allen key. You can adjust the lense position movement according to your requirement.

- Next, attach your top flag into the metal frame, you can adjust top flag movement of the metal frame by loosen/tighten the knob to secure the sections together.

Ring Clamp Setup

- 114-110mm ring clamp attached into metal frame. You can adjust the lens position movement according to your requirement. Follow the same process Remaining 5 rings clamp.
