IT IS IMPORTANT THAT YOU READ AND UNDERSTAND THIS GUIDE BEFORE ATTEMPTING TO ASSEMBLE OR USE YOUR NEW PROAIM 7" PRO LCD-003 MONITOR KIT.

SHOULD YOU NEED ADDITIONAL INFORMATION, TECHNICAL ASSISTANCE IS AVAILABLE 'ON LINE' BY CONTACTING YOUR SALES REPRESENTATIVE.

#### INTRODUCTION

This 7" LCD is designed to be used as an external video display, allowing the operator to step back from the camera while still being able to frame and capture the action without having to look through the usually small or non-existent cameras built-in viewfinder. This monitor is compact enough for camera top mounting or attaching to a tripod or crane, jib or arm. - and large enough to be seen on a desktop or rack mount from a distance.

#### WHAT'S IN THE BOX

Please inspect the contents of your shipped packages to ensure you have received all that is pictured and listed below. The shipping /storage case has been especially designed to protect your purchase while in transit and is a good place to keep your LCD Kit when not in use.

# **CONTENTS OF SHIPPING BOX**

Please use the following sequence of pictures and text in the order they appear to set up your new PROAIM 7" PRO LCD-003 Monitor Kit. Technical assistance is available by contacting your sales representative.

Attach the battery on the battery mount at the back of LCD Monitor 003.

• Attach the one end of battery wire (marked with arrow) with battery mount.

• Then, attach the other end of battery (marked with arrow) wire to the LCD Monitor.

**Battery Wire** 

• Connect the short AV cable with Monitor at AV-OUT port of LCD monitor (marked with Arrow).

• Now, connect the Female RCA Jacks of short cable with male RCA jack of long cable as shown in the picture.

 Finally, insert the other end of long RCA male jack in to camera port.

## YOUR PROAIM 7" PRO LCD -003 MONITOR KIT IS READY TO USE

**Exclusive of Camera and Mic** 

### WARRANTY

We offer a one year warranty for our products from the date of purchase.

We will repair or replace your product, free of charge, in the event of a defect in materials or craftsmanship obtained during normal use or handling based on the user manual. Please note that we will not cover any shipping costs for returning the product to us. If any VAT or import duties are applied to the return, we will also charge these costs to the customer.

The warranty does not include, by the way of example, damage caused by products that we donot supply or from mishandling in transit, accident, misuse, neglect, lack of care of the product, or service by anyone other than our company.

We are not liable for incidental or consequential damages resulting from the use of the unit or occurring due to any breach of this warranty.

Replacement parts of the product will be provided at nominal cost (covering the cost price of the replacement parts only) to the customers after the Warranty Period has expired. We will cover the complete cost of sending replacement parts within the warranty period. After that, Nominal cost of the product & Actual shipping cost will be charged.

Donot send the unit to us without first getting a response and getting the approval to send back the item.

In case of any kind of dissatisfaction, we urge you to **Contact us** immediately and we shall do our best to help you out.

For any other assistance you can reach us via email.
