Spark Slider **Setup**

• Screw-in Spark Slider on the tripod Stand (Not-Included).

NOTE: We provide 1/4" screw attached with Spark Slider and also a conversion ring to convert 1/4" to 3/8".

- Screw-in the provided Conversion ring on 1/4" screw.
- Now attach your Fluid Head (Not-Included) on the spark slider.

• Secure your camera with quick release plate with help of a screw driver.

• Re-insert your camera on the Fluid Head and tighten the knob to secure it properly.

• Press the lever to lock the camera plate in a static position.

 It has an adjustable rubber feet which prevent scratches on table, other delicate areas and provides accurate leveling on non-perfect surfaces.

YOUR PROAIM SPARK DUAL-LENGTH SLIDER ALL DRESSED UP AND READY TO GO!

(SHOWN WITH OPTIONAL ACCESSORIES)

Warranty: We offer one year warranty for our products from date of purchase. Within this period of time, we will repair it without charge for labor or parts. Warranty doesn't cover transportation costs nor does it cover a product subjected to misuse or accidental damage. Warranty repairs are subjected to inspection and evaluation by us.

Liability: We are not liable for damage caused by products that we do not supply or from mishandling in transit, accident, misuse, neglect, lack of care of the product, or service by anyone other than our company.

Contact Us: In case of any kind of dissatisfaction, please Contact us immediately and we promise our utmost support and care until you use our product.
