Teleprompter Setup

- Loosen the bolt from the quick release camera platform with the help of a screwdriver.
- Mount the quick release camera platform on the top plate of the fluid head (**Not Included**) and secure it properly.
Note: You can also mount the teleprompter directly on the tripod stand.
- Insert the 15mm rods and secure them properly with the knobs on both sides, as shown in the image.

Large Tablet Holder Assembly

- Insert the 15mm rods into the Large tablet holder and tighten the knob exactly where you need the glass to be positioned.
- You can adjust the Splitter Glass up to 45°, as shown in the image.
- Slightly loosen the knob of the iPad holder bracket and place the tablet on it. You can extend it as desired.
Note: Adjustable iPad holder Bracket allows mounting Mobile, Standard / Large Tablet ranging from 6 x 9" to 9 x 12" in size.

- After mounting the large tablet on the c-post holder bracket, properly tighten the knob.
- Press the red pin on the quick release camera platform and remove the camera release plate.
- Align the camera release plate with the camera's thread and secure it properly using a screwdriver.
- Slide the camera onto the quick release camera platform and press the red lever to lock it.

Magnetic Protective Hood Attachment

- Attach the magnetic protective hood to the splitter glass and close the zips from both sides to avoid unwanted light.
Note: Magnetic Protective hood quickly attaches/detaches via a magnetic strip.

- Adequately cover the camera using a fabric knicker and attach the bottom hood flag as shown in the image.

- Attach the Hood Flags to both Sides.
Note: Hood flag works to protect your lens from unwanted light, making text readable.

YOUR PROAIM UNIVERSAL ULTRA LARGE IPAD TELEPROMPTER KIT ALL DRESSED UP AND READY TO GO!

(SHOWN WITH OPTIONAL ACCESSORIES)

Warranty: We offer one year warranty for our products from date of purchase. Within this period of time, we will repair it without charge for labor or parts.
