Wall Spreader Setup

NOTE: Tightening Elements are without fasteners. Press two elements onto both sides of the wall and insert a telescopic pole into it. During this clamping process, a particular upward bow of the Pole is specified after tightening the knobs.

- Place tightening element onto the wall and tighten both the knobs to secure it.

- Tighten clamping ring at the center so that the telescopic poles can be tightened together correctly.

- Attach a double clamping ring to the telescopic pole and tighten it with the knob.

NOTE: The double clamping rings connect two telescopic crossing poles at any angle to support each other laterally.

- Mount the euro adapter on telescopic poles and secure it appropriately with the knob.

- Finally, attach your compatible euro-mount accessories (Not Included).

YOUR PROAIM WALL SPREADER ALL DRESSED UP AND READY TO GO!

(SHOWN WITH OPTIONAL ACCESSORIES)

Warranty: We offer one year warranty for our products from date of purchase. Within this period of time, we will repair it without charge for labor or parts. Warranty doesn't cover transportation costs nor does it cover a product subjected to misuse or accidental damage. Warranty repairs are subjected to inspection and evaluation by us.

Liability: We are not liable for damage caused by products that we do not supply or from mishandling in transit, accident, misuse, neglect, lack of care of the product, or service by anyone other than our company.

Contact Us: In case of any kind of dissatisfaction, please Contact us immediately and we promise our utmost support and care until you use our product.
