

[AUQUA]

SWIMWEAR

[AUQUA] Swimwear will happily accept Exchanges
Please refer to our FAQ page to read all the terms and conditions for an exchange.

A completed Exchange form MUST be submitted with every exchange request.

Please contact a customer service representative (returns@auquaswimwear.com) to obtain an Exchange Authorization Number prior to sending your package. Packages received without an EA# written on the outside of the package will be returned to sender. Upon receiving an EA#, please print and complete this form and include it with your exchange in the original packaging with all tags and labels in tact as well as paperwork. Please note that a \$10

admin/restocking fee (per item you wish to exchange) and all fees incurred by [AUQUA] swimwear will be passed onto the customer. [AUQUA] will not be held liable for the loss of items being returned.

Please only use a registered postal service to return goods, and keep a record of the tracking details, making sure not to fold or crease the swimwear.
