## MULTI-USE CARPET CLEANER

### PRODUCT DESCRIPTION:

**Answer™ Multi-Use Carpet Cleaner** works aggressively to release carpet soils in 4 ways - as a **spotter**, a **pre-spray**, a **spin clean** and an **extraction cleaner**. This unique formulation satisfies many carpet cleaning requirements and provides safe/carefree maintenance of carpets. As a spotter it removes tough soils such as food, pet stains and even dirty motor oil. As a pre-spray, spin clean or extraction cleaner it brings these tough soils away from the carpet fibers without leaving a residue that can attract soils. **Answer™ Multi-Use Carpet Cleaner** is formulated with a fresh **apple scent** and looks like apple cider.

### FEATURES:

#### Safe to Use:

Contains no solvents or harsh alkalis and it has a neutral pH.

#### Environmentally Friendly:
