Manufacturer: Shenzhen NearbyExpress Technology

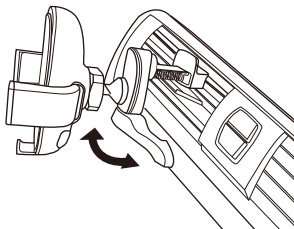

Development Co., Ltd.

Address: 333 Bulong Road, Shenzhen, China, 518129

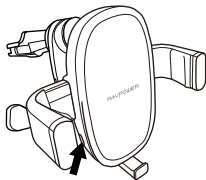

Push back the spring lever, clamp the hook onto your air vent blade, and release the spring to lock in place.

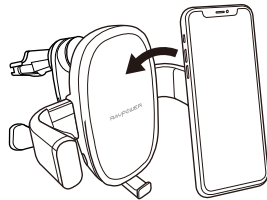

Revolve and adjust the support foot to stabilize the holder.

## Mounting and Removing Your Device

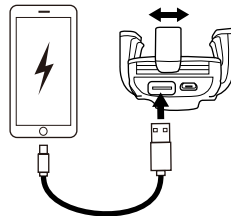

Touch the sensor to unlock the cradle and remove your device.

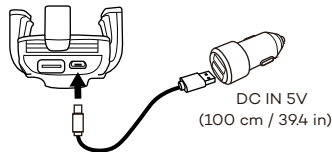

Place your phone onto the holder, the cradle will tighten and lock up automatically.

## Charging

1. Charging Your Devices (The charging cable is not included)

2. Charging the Mount (Micro USB Cable)

Note: Adjust the tray accordingly to avoid blocking of the charging port.

## Caution

1. Please charge the mount first when use it for the first time or reuse it after a long time.
2. For your safety, do not install or adjust the mount while driving.
3. Do not expose the product to long periods of sunshine, especially during high temperatures.
4. Please remove the mount and store it in a cool and shady area when not in use.
5. The cradles will close and open automatically when the sensors are touched. Don't pull with your hands.
6. Charge the mount with a DC 5V charger, the adapter (car charger) is not included in the package.
7. Do not knock, drop, or dismantle the product.
8. A beep sound will be heard when battery runs low, please charge the mount.
