## 布里花系列

记得当年小，  
你爱谈天我爱笑。  
有一回并肩坐在桃树下，  
风在树梢鸟在叫。  
不知怎么睡着了，  
布里花，落知多少。

I remember when we were young,  
you love to talk and I love to laugh.

Once we sat side by side under the peach tree,  
the wind stirred on the top of the trees with chirped sounds of birds.

We had a good sleep without noticing,  
lost in the dream not knowing how many "BLUMA" were falling down.
