星空石

天空繁星点点，地上人月团圆。

星空石，是属于大家的幸福。

坐在院子里，看着天空，思维很清晰。

小明星像睁眼睛一样闪烁着。

他们所照耀的，是一个美好的世界的地面上。我喜欢星空石。

Belongs to everyone's happiness.

The moment we meet old friends together with family.

Sitting in the yard, looking at the sky, I was clear.

Little stars were twinkling quietly like bright eyes.

They shine also on the Ground which turns into a wonderful world.

I love STARRY.
