Vincent, a Dutch post-impressionist painter whose work had a far-reaching influence on 20th century art as a result of its vivid colors and emotional impact.

The Starry Night had been exhibited on Orsay Museum in Paris over hundreds of years.

After careful consideration, Muzzi chose the Wooded series to create a new art that you never tired of seeing because of its comfortable texture.

In a word, the Wooded series of Muzzi, which show the impression of the genuine forest.
