

GIFT GIVING GUIDE

Proud to be a part of the community for over 40 years

OUR STORY

Peterbrooke founder and renowned chocolate expert, Phyllis Lockwood Geiger, opened her first chocolate shop in Jacksonville, Florida's San Marco neighborhood in 1983.

Her mission was to bring back the art of European chocolate making and translate it into what she calls, "The American neighborhood experience".

By focusing on traditional American favorites such as cookies, pretzels and popcorn dipped in the highest quality, European-inspired chocolate, Phyllis was on the leading edge of America's "gourmet movement" of the 1980s.
