We have partnered this with Litsea, the lemon-like essential oil that when diffused provides a refreshing and uplifting aroma. The products come together in a beautiful gift box - this is a present you'll struggle to give away!

The Banksia Pod Aroma Diffuser works by soaking up your favourite essential oil. All you need to do is keep it topped up and the Banksia does the rest. As it is porous, we recommend that you sit the Banksia Pod on a coaster to protect your surfaces.
