DUXOT

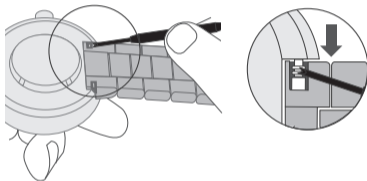

TRIONFO

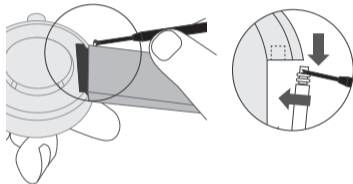

This timepiece is equipped with an extra strap or bracelet. This we hope adds another level of versatility and functionality to your watch.

Strap Changing end → 

A.

B.

1. Use the DUXOT Strap Tool place the strap changing end to the metal pin.
2. Push down to release the spring and remove the bracelet.

3. Move the pins from the old to the new strap.
4. Place the pin end to the lug hole.
5. Use the tool again to push down the spring so that the pin end reaches the hole for fastening.
