

# Pretty paper petals

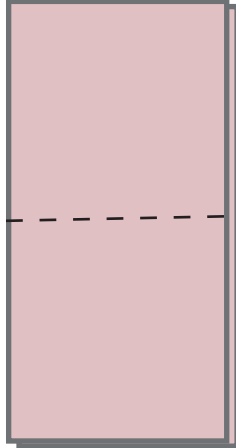

Follow these simple steps to create beautiful paper flowers to pop in a vase or add to a headdress! All you need is a square piece of paper and a pair of scissors!

Share your creations with us!

f i p t

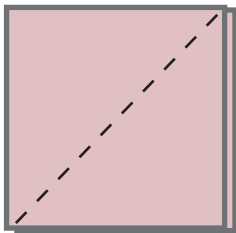

1 Fold down the centre.

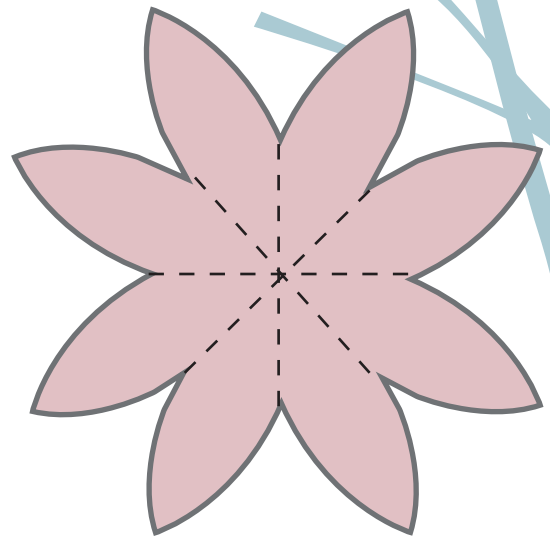

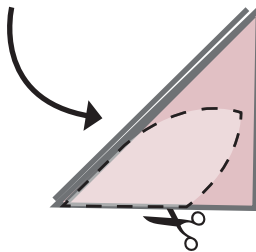

2 Fold again as shown.

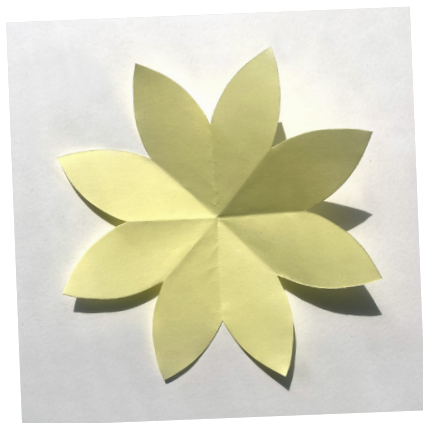

3 Fold diagonally.

4 Draw a petal as shown then cut it out and unfold!

Here's some we made!

A flower we made!

And a headdress!

### Top tip!

We added a split pin to the centre of our paper flowers so we could attach it to a paper straw or headdress!
