The Only Beauty Products Featuring Patented Elastaplex™ Technology

Real Science. Real People. Real Results.™

Through clinical evaluations, NULASTIN® products have been scientifically proven to help the body stimulate the replenishment of elastin - allowing thousands of real customers to experience natural, noticeable improvements in their hair, lash, brow, and skin health. With Elastaplex™ Technology, our customers can experience up to a **60% increase in the appearance of lash length**, a **120% increase in brow density**, a **90% improvement in hair growth**, and a **49% increase in skin smoothness**. We only feature real people in our marketing because visible, long-lasting results speak for themselves.
