**Photographer: Annie Leibovitz.**  
**Fashion Editor: Tonne Goodman.**

60%  
Longer Lashes

120%  
Thicker Brows

### Featuring Patented Elastaplex™ Technology

In 12-week clinical evaluations, our BROW Shape Altering Serum increased the fullness of participants' eyebrows up to 120% and our LASH Follicle Fortifying Serum increased the length of participants' eyelashes up to 60%. Our patented molecular delivery system has been scientifically proven to help the body stimulate the replenishment of elastin — allowing thousands of real customers to experience natural, noticeable results.
