

YOUR HEALTH IS OUR #1 PRIORITY

Here are the actions we are taking

- Asking employees and customers to wear a mask covering their nose and mouth
- Using shields or barriers between customers and clerks at service counters
- Providing personal protective equipment for employees, including gloves

- Screening workers for fever (over 100.4 degrees), cough, or shortness of breath

- Maintaining the six-foot physical distancing requirements for employees and patrons
- Refraining from physical contact and limit shared tools or spaces
- Scheduling specific hours of operation for vulnerable populations

- Disinfecting common areas regularly including high-touch surfaces
- Providing disinfectant and sanitation products for workers to clean their workspace and equipment

- Making hand sanitizer, disinfecting wipes, or soap and water readily available to employees and customers
- Requiring hand washing and sanitation by employees
- Requiring use of dedicated gloves for employees

- Implementing teleworking, virtual meetings, and staggered shifts where possible
- Encouraging high-risk individuals to stay home
- Requiring workers who exhibit symptoms or illness to stay home or seek medical attention

- Using technology solutions where possible to reduce person-to-person interaction
- Encouraging non-cash payments and suspend use of PIN pads when possible
- Using curbside, delivery, or pick-up services where practical

- Limiting non-essential business travel
- Curtailing business travel to high-infection areas
- Discouraging large gatherings
