

Kindy Childcare Program

3-5 year olds

RAW Art has been running creative children art workshops for the past 22 years.

We are a motivated and passionate team of professional teachers and artists, who love getting creative with children.

We have an exciting program on offer suitable for 3-5 year olds, ranging from clay and printmaking to sculpture and mixed media.

Our workshops are designed to suit little hands, and we are sensitive to children's needs and requirements.

Children will discover some fun new processes, they will learn about colour, line, shape, texture and pattern, and will finish each lesson with an exciting completed artwork.

Lets get creative!

Snow Bears

- mixed media

Discover some fun painting and drawing techniques to create a very cool Snow Bear.

Funny Clay Faces

- clay sculpture

Discover the properties of clay, and learn about sculpture in this fun activity.

Watercolour Bugs

- drawing/painting

Use pens and watercolours to create a colourful bug.

Shape Colour Pattern

- printmaking/ mixed media

Discover printmaking and pastels in this busy fun workshop.

Creative Costume Art

- mixed media

Do some printing and collage to make a cool tribal necklace, and a funky headband. Wearable art is way fun!

Clay Bugs

- clay sculpture

Learn some basic clay modeling techniques and make a funky little 3D beetle.

Bird collages

- mixed media

Use some interesting bits and pieces to make these lovely bird collages. Squaaark!

Mad Monsters

- paint/draw

Work with paints and pastels to create a vibrant monster design.

Clay Snails

- clay sculpture

A fun clay lesson, looking a shape and 3D form. Students will love their slimy clay snails.

Portraits

Perfect for Mothers Day/ Fathers Day (drawing/painting)

Children learn about faces, and portraits. They will create a lovely portrait of their mum/dad/ grandparents working with pens and watercolours.

Little Villages

- sculpture

A fun project working with clay, card, paints and markers to create a little village - looking at shape, construction, 3D art.

Beautiful Butterflies

- mixed media

using a wide range of fun 2D media, create these colourful vibrant butterflies.

Clay Echidnas

- clay sculpture

Use a range of 3D media, including clay to make these oh so cute little critters.

Little Robots

- mixed media

Students will love making these funky mixed media robots. Great for display!

Watercolour Mobiles

- painting/ sculpture

Discover some watercolour techniques, and also how to assemble and make a mobile.

Little Landscapes

- paint/draw

Using paints, pastels and charcoal, create these beautiful landscape paintings.
