Many of our cocktails, and all of our canned drinks, are made with Two Robbers Vodka and Two Robbers Gin. Our vodka is distilled from premium French winter wheat, harvested once a year in the valleys of Champagne-Ardenne, resulting in a smoother, subtly sweet finish with delicate notes of vanilla. Our gin is bright and citrus-forward, with bold notes of grapefruit and orange peel, balanced by soft herbal notes. Designed for clarity, finished with balance. Good enough to sip neat. Or in a martini. Or straight from the can. We won't judge.
