Assembly Tips: Please use the hardware and accessories included in the set. DO NOT use other electrical or manual tools. In order to facilitate the assembly and make your final product firm and stable, please tighten by a few rounds each screw one by one. After all screws are connected, then you start to tighten each screw to the end. DO NOT tighten any screw to the end before you've connected all screws. The assembly requires minimal level of DIY skills if you follow the instructions carefully. In case you encounter any difficulty or have any questions, feel free to contact the store or manufacturer.
