Sharpak Healthcare**

Daniels Healthcare
Up to 5L**

Daniels Healthcare
7L & Above**

Item	Description	Weight
SEP/USBMP	Sharps Box Bracket Mounting Plate - Universal	0.2kg

Security Clamp

Features

- Allows the trolley to be secured to the 'fabric' of the building
- Requires no additional keys, utilises the trolleys own locking system
- One end is secured to the wall, the 'hook shaped' end is trapped by the door of the trolley when closed and locked
- Recommended wall fitting height 1000mm

Important Note - Security Clamps

It is a requirement that when the trolley is not in use it should be secured to the 'fabric of the building'. Not only does this prevent casual theft, i.e. trolleys being pushed to an isolated area & broken into, but also encourages good nursing practice, giving the trolley a "permanent home".

"Safe & Secure Handling of Medicines - Royal Pharmaceutical Society, GB-March 2005"

Item	Description	Cable Length	Weight
MT/1/6F	Security Clamp	950mm	0.8kg
