

· BUILD YOUR PACK ·

Our webshop offers you the ability to compose your own pack of lambic beers.

To support this, we have two packaging options: either 3x 750ml or 6x 750ml.

This means - if you wish to compose your own pack - the total amount of selected bottles should be a multiple of 3.

To illustrate:

- an order of 3 lambic beers = you'll receive a single box containing 3x 750ml bottles
- an order of 6 lambic beers = you'll receive a single box containing 6x 750ml bottles
- an order of 9 lambic beers = you'll receive two boxes; one containing 3x 750ml and one containing 6x 750ml bottles.

The following pages provide an example and guidelines how to modify your shopping cart in order to have a valid cart for checkout.
