

# DANCING GOATS COFFEE COFFEE REPORT

"I am committed to furthering our close ties with producers and seeking out new coffee communities that both grow exceptional coffee and practice sustainable agriculture"

*Bob Benck*

GREEN COFFEE BUYER

## ROASTERS NOTES

The story of our commitment to delivering fresh-roasted coffees is the tale of two capital cities, Olympia, Washington and Atlanta, Georgia, both with Capitol domes and both with Dancing Goats® Coffee roasteries. Capitol Blend is part of our Legendary line of coffees.

## CUPPING NOTES

Great acidity, lingering sweetness, and perfect balance. Hearty and eminently drinkable.

## BREW SPECIFICATIONS

Basic Brewing: We start with 17 grams of water per gram of roasted coffee. For example, a 30 gram coffee brew will yield 510 grams of brewed coffee. Adjust this basic ratio of (1 coffee:17 water) to your desired brew strength.

## BLENDS

Storied coffees, quality heritage blends that have stood the test of time.

## CAPITOL COMPONENTS:

Features a wide variety of coffees from every growing region in the world.

## TASTING NOTES:

Chocolate, berry, marzipan

## ROAST PROFILE MEDIUM-DARK

## BREWING METHODS:

Filtered, pourover brew: Chemex®, Clever Dripper, Beehouse Dripper, Hario. Consult our "learn" section on [dancinggoats.com](https://dancinggoats.com) for more instructions on pourover brewing.
