We are a young, growing company from Hamburg that has set itself the goal of spreading joy and happiness all over the world with delicious, glittery, bright, colourful sprinkles!

#spreadhappiness

After the search for fancy, beautiful cake decorations in Germany has unfortunately been very frustrating, we travelled to the USA for years with an empty suitcase to stock up on poppy and modern decorating accessories.

In 2018, we simply took matters into our own hands and founded our own sprinkles start-up: **HAPPY SPRINKLES!**

Since then, we've been sprinkling everything we can get our hands on and making the baking world more colourful, sparkly and exciting!

We are listed in new shops every day, **nationally** and **internationally**, and would be so happy to have you be a part of our happy journey!

If you have any questions about us or our products, please don't hesitate to contact us!
