ABOUT LOGO

MOWIN offers a wide range of logo customization options to make your yoga products truly unique. Our logo processes include Laser Engraving, UV Printing, Gold Foil Printing, Embossed Logo, Silver Foil Printing, Screen Printing, Digital Printing, Woven Label, and more. To help you visualize the possibilities, we've provided images of some logo printing examples. We're also here to offer suggestions based on your design and logo preferences.

Simply send us your logo file, and we'll create a custom yoga mat just for you. Below is a brief explanation of some popular printing methods:

Laser Engrave Printing: This popular and cost-effective method sets MOWIN apart from the competition. Our engraving machines are top-of-the-line, ensuring fine and precise designs that won't damage the mat or peel off after use. Suitable for both logo and full mat printing.

Foil Silver Printing and Golden: These eye-catching printing techniques use heat transfer to create shiny, attractive logos. Best suited for logos smaller than 30.

Embossed: This high-quality option adds depth and texture to your logo without damaging the mat. Ideal for logos smaller than 30.

UV Printing, Digital and Transfer Printing: These eco-friendly printing methods use dye materials that are gentle on the environment. Ideal for full mat, colorful designs.

Silk Screen Printing: Perfect for one or more solid color printing, this method is versatile enough for both logo and full mat customization.
