LED Aluminum profile 1~3meter

PC Cover

Wall Support Bracket

HB hanging bracket(optional)

## Service Environment and Installation:

Step 1
Fix the end caps to wardrobe/closet with screws.

Step 2
Place LED profile R003 through the hanging bracket (if using it) and then rest it into the wall brackets.

Step 3
Fix the hanging bracket with screws.
(We suggest that each 50cm length should use 1m for the hanging bracket.)

Step 4
Connect the power supply.
