

Rock & Waterfall Cleaner (Granular)

OXY2 • OXY8 • OXY25

Features

EasyPro's family of water treatment products is designed to work together to achieve the natural ecological balance your pond needs to maintain clean, clear water.

EasyPro's Rock & Waterfall Cleaner brings safe and powerful oxygen based cleaning to waterfalls, streams, fountains, statuary and other water feature surfaces. Great for use in koi ponds.

- Effective, powerful oxygen based cleaner for small ponds to large lakes
- Quickly cleans rocks, waterfalls, fountains, plant pots and statuary
- Lifts debris to surface where it can be removed
- Maintains a healthy, balanced ecosystem and reduces pond maintenance
- Safe for use around fish, plants and pets

1 lb. per
300-400 sq. ft.

Directions for Use

- Allow 48 hours between consecutive applications
- Avoid contact with plant leaves
- Product may cause short term spikes in pH levels, check pH before applying

Application (Spot Treating):

- Apply approximately 1 lb. of powder for every 300-400 square feet to problem areas, such as rocks and waterfalls. For waterfalls and streams: Turn the pump off and apply light layer of product. Wait 10-20 minutes before turning pump back on.

Application (Heavy Dose):

- Apply 3-4 oz. per 1000 gallons of pond water every 2-4 weeks or as needed.

Application (Light Dose):

- Apply 1-2 oz. per 1000 gallons of pond water every 2-4 weeks or as needed.

Application (Larger Ponds):

- Treat no more than 1/3 of pond at a time. Apply 12 to 15 lbs. per acre-foot of water. Double dosage for problem areas may be used.

DANGER: HARMFUL IF SWALLOWED. CAUSES SEVERE EYE DAMAGE. Contains: Sodium carbonate peroxyhydrate.

FIRST AID: If swallowed, call immediately for emergency medical assistance. DO NOT induce vomiting. Rinse mouth with water and drink 1-2 glasses of water. Never give anything by mouth to an unconscious person. For eye contact, immediately flush with cool running water for at least 15 minutes while holding eyelids apart. Do not rub affected area. Remove contact lenses if applicable.

KEEP OUT OF REACH OF CHILDREN

Safe for fish & aquatic life
