

BOARD SIZES

RIGID BOARD, HIGH QUALITY 300DPI PRINT
DIRECT ON THE SURFACE

PORTABLE | REUSABLE | DURABLE

Board 600mm x 450mm

Compact

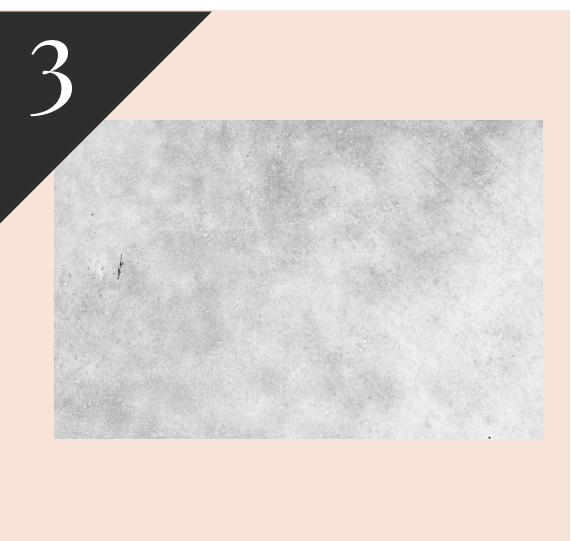

Perfect for compact product photography, beauty and lifestyle bloggers, styling on-the-go, travel (fits into suitcase). Ideal for beauty products, delicate handmade items, jewellery, cookies, cupcakes and baking, ingredients, kiddies clothes or toys. Not suitable for editorial as there won't be enough copy space.

Board 600mm x 600mm

Medium

Slightly more room to work with, our most popular size and most versatile size board for a variety of content. Still perfect for beauty products, delicate handmade items, jewellery, cookies, cupcakes and baking, ingredients, kiddies clothes or toys. Can possibly be used for editorial, and definitely used for food styling and baking.

Board 900mm x 650mm

Large

Nice large rectangular board, great for those needing more space to work with. Perfect for food photography, editorials, plenty of space for copy, great for clothing and anything requiring a little more space.

Board setup

Featuring our Compact sizes

Because our boards are rigid and sturdy:

1. the Compact and Medium sizes can be propped up to create a mini studio. This is great for creating more dynamic content, and helps you get the most out of your purchase.
2. They be laid on any surface and maintain their form.
