

NUTRICENTIALS® CELLTREX® ULTRA RECOVERY FLUID

Your skin has a mind of its own. But now you can make it resilient to its mood swings. The Nutricentials system helps your skin adapt to environmental stressors like late nights, pollution, and UV rays—for better, balanced skin every single day. **Nutricentials. Great skin. Great day.**

MEET CELLTREX ULTRA RECOVERY FLUID

Fatigue, pollution, and stress sound familiar? When you're wiped out, your skin is washed out. So destress, detox, and take control of your skin with Nutricentials Celltrex Ultra Recovery Fluid. This lightweight serum visibly plumps while boosting radiance so you can reclaim your healthy, youthful glow. The fast-absorbing formula also helps skin adapt to your unique environment, delivering more or less hydration depending on what your skin needs throughout the day. Use Celltrex Ultra Recovery Fluid at night to boost your skin's natural recovery process and in the morning to get your skin ready for another busy day.

WHY YOU'LL LOVE IT

- Bioadaptive Botanical Complex helps boost skin's resiliency to the wide range of environments you experience every day—dry indoors, humid outdoors, and everywhere in between.
- HydraFlex Blend adapts to your skin's unique needs and environment by attracting and binding moisture to skin or filtering excess moisture from it as necessary.
- Gives skin an instant dose of hydration and radiance.
- Calms stressed skin and boosts skin's protection against pollution, stress, free radicals, and late nights.
- Detoxes skin as you sleep, boosting your skin's natural recovery process.
- Fast-absorbing formula dries quickly for a smooth, non-greasy after feel.
- Paraben-free and mineral oil-free.

WHAT POWERS IT

- Bioadaptive Botanical Complex (Rhodiola, Maral Root, Siberian Ginseng, Chaga Mushroom, and Resurrection Plant)—contains botanical extracts from plants that thrive in extreme climates and can help your skin bounce back from stressors.
- HydraFlex Blend—adapts to your skin's hydration needs in changing environments throughout your day.

HOW TO USE IT

LEARN MORE ABOUT IT

What are bioadaptive botanicals?

Bioadaptive botanicals are plants that thrive in extreme climates thanks to their adaptive properties. These special properties increase the plant's resilience and help them—and your skin—recover from all kinds of damage and stress.

NUTRICENTIALS® CELLTREX® ULTRA RECOVERY FLUID

Where does Celltrex Ultra Recovery Fluid fit in my skin care routine?

Celltrex Ultra Recovery Fluid is a treatment serum, so you should apply it after toning and before moisturizing in the morning and evening. Doing so will help boost your skin's natural repair process and prepare skin to face your day.

How does Celltrex Ultra Recovery Fluid help my skin recover?

Your skin takes a beating throughout the day, but the bioadaptive botanical extracts in Celltrex Ultra Recovery Fluid come from unique plants that can thrive in even the harshest conditions. These adaptive benefits help your skin rebound during the day and complement the skin's natural nighttime recovery process. At the same time, the proprietary hydrating blend helps skin feel soft and comfortable in cold, dry environments and then light and less greasy when moving into hot, humid environments. Your skin stays comfortable throughout the day, whatever changing environments you find yourself in.

Can I use Celltrex Ultra Recovery Fluid in the morning and at night?

Absolutely! By adding Celltrex Ultra Recovery Fluid to both your morning and evening routines, you'll maximize the amazing benefits to your skin 24 hours a day.
