

TRU FACE® LINE CORRECTOR

Take aim at dull, aging skin with Tru Face. These targeted treatments visibly firm and smooth skin, improve the appearance of fine lines and wrinkles, and help you look healthy and radiant. Add Tru Face to your regimen and look your best—no matter your age.

MEET LINE CORRECTOR

A winning visible wrinkle reducer. Tru Face Line Corrector targets signs of aging with peptides that help soften the appearance of fine lines around your mouth, eyes, and forehead. These potent ingredients signal cells to help your skin look youthful, healthy, and smooth. Add Line Corrector to your regimen and wave goodbye to the appearance of lines and wrinkles.

WHY YOU'LL LOVE IT

- Reduces the appearance of fine lines and wrinkles.
- Smooths and visibly renews skin.

WHAT POWERS IT

- Palmitoyl Oligopeptide/Palmitoyl Tetrapeptide-7—help reduce the appearance of fine lines and wrinkles.
- Centella Asiatica, Portulaca Oleracea, and Sweet Almond Extracts—help visibly smooth and soften skin.

HOW TO USE IT

Tru Face Line Corrector should be used both morning and evening, after cleansing and toning. Apply generously to fine lines around the eyes, mouth, and forehead. Follow with your favorite treatment or moisturizer.

TRY THESE WITH IT

- ageLOC® Tru Face Essence Ultra
- ageLOC Tru Face Essence Ultra Uplifting Cream
- Revealing Gel
- ageLOC LumiSpa®

LEARN MORE ABOUT IT

Can I use Tru Face Line Corrector with other Tru Face products?

Yes! Tru Face Line Corrector can be used with any of the other Tru Face products. If using them together, we recommend you first apply Tru Face Line Corrector, then Tru Face Revealing Gel, then Tru Face Skin Perfecting Gel, followed by ageLOC Tru Face Essence Ultra, and finally ageLOC Tru Face Essence Ultra Uplifting Cream.

Does Tru Face Line Corrector firm the skin?

No. Tru Face Line Corrector is designed to reduce the appearance of lines and wrinkles, not firm skin.
