## THE ART OF MODERN LIVING

Long before “handcrafted” became a trend, Rookwood artisans were devoted to using the finest materials, one-of-a-kind design, and expert craftsmanship.

Our tile is the perfect harmony of exquisite color, unique form, and eye-catching design — bringing functional works of art into your world.

# LET'S GET DOWN TO BUSINESS

Rookwood works closely with our clients to transform your vision into beautifully inspired surroundings — we'll help you find just the right tile colors, shapes, and styles for your next project.

# CUSTOM CREATIONS

*Make your mark* with one-of-a-kind art.

No matter what branded tile element you need, Rookwood can make it in nearly any color, shape, or size for a completely custom space.

# STYLED SETTINGS

From corporate boardrooms to bathrooms, Rookwood's extensive selection of tile shapes, colors, and styles helps you render any space sophisticated.

# INSPIRED APPROACHES

Invested in artists beyond our walls, Rookwood welcomes a unique and inspired approach to every install.

# CONSIDERED CRAFTSMANSHIP

Every detail matters — from front of house to back of house.

## WINNING DESIGNS

Elements like custom logo tiles add an extra flair to your company's Rookwood-designed space.

## CURATED PALETTE

Rookwood's glaze collection is sure to spark creativity — from pooling edges and artistic details to hi-fi pops of color.

# ENDLESS OPTIONS

With an ever-growing library of glazes, Rookwood has even more colors that will make you green with envy.

# AN EYE FOR DETAIL

Combining the elements of a standard subway tile with elevated surface detailing, Rookwood's low-relief tiles, like Selene, offer a modern elegance that doesn't go unnoticed.

## DYNAMIC DUO

Rookwood's interlocking tiles, like Reverie and Peel, neatly nestle to create a perfect pairing suited for luxe installations in both monochrome or bold graphic hues.

# TIMELESS FLAIR

Rookwood's relief tiles add a splash of intrigue and timeless flair, outlasting trends that come and go.

STATEMENT PIECES

Rookwood's modern Penrose Hex tiles embody more than their namesake when turned edge-to-edge and patterned throughout your installation.

# PLAYFUL COMBINATIONS

Our field tiles can be used to create colorful pattern combinations, including large-format hexes, stars, and other geometric shapes.
