## **TERMS AND CONDITIONS**

This estimate is created on the basis of the conversations of the messages that have taken place and any drawings/sketches received and useful for the definition of characteristics, materials, finishes and measurements. These data are considered an integral part of the agreements and can be modified without problem only until the deposit has been paid to confirm the order.

Any modifications/variations subsequent to the order confirmation and payment of the advance must necessarily be agreed in writing with the undersigned and will result in price adjustments at the sole expense of the customer. The difference in price for modifications or additions must be paid in full before their execution.

In the event of late payments, IL BAULE DI NONNA ELVIRA reserves the right to apply default interest.

Il Baule di Nonna Elvira declines all responsibility for any errors not attributable to us in the creation of the furniture (e.g. incorrect measurements provided, imprecise indications by the customer on the position of the systems in the case of kitchens, etc.).

For furniture for which installation is necessary, once the delivery date has been agreed and transport and labor have been organised, in the event of problems on the customer's part and last minute changes in needs, the customer will also be required to cover any expenses already incurred by us due to the delivery not being made.

Changes to the delivery date are however still possible only before the shipping date, for small and large orders. Quotation validity 15 days from the date of sending.

The Customer, having read the estimate, in case of acceptance is required to sign and send it to: IL BAULE DI NONNA ELVIRA.
