## JONATHAN ADLER MODERN AMERICAN GLAMOUR SPRING 2024

MODERN AMERICAN GLAMOOR | SPRING 2024

### 200+NEW IN-STOCK STYLES

Fresh and *fantastique* today, chic and *classique* forever

A few years ago I was chatting with my nephew Harry, then barely a toddler. l asked him to name his favorite season. His eyes popped open like saucers and he blurted out an excited response:

"Spring!!! Because in spring, anything can happen!"

Right??? This season's collections are inspired by Harry's unbridled optimism about the season of rebirth. Giant acrylic mushrooms, colorful stoneware Les Amis vases, boxes shaped like flowers, and our deep and delicious Pompidou seating collection—we've got what you need to make your home feel fresh.

Spring—anything can happen!
